## **§445 Administrative and Judicial Personnel**

### ***c. University Judicial Board***

The Executive Committee of the University Senate shall at its first meeting each year appoint or fill vacancies in a University Judicial Board consisting of five members, one of whom shall be a student, one of whom shall be a faculty member, and one of whom shall be a staff member, as defined in Section 441i. Each of these three groups—students, faculty, and staff—is eligible for the two remaining seats, but none of the groups may occupy both of those seats, and thereby form a majority of the Board. The members shall be chosen after consultation with the three groups. The Executive Committee shall designate the chair of the Board, as well as an alternate chair, and shall also appoint a pool of alternate board members. Appointments to the board shall be for a term of three years, and shall be staggered to ensure continuity. The members of the University Judicial Board shall be persons from within the University, and no person otherwise concerned with disciplinary procedures may be appointed to the Board. Once confirmed by the Executive Committee, members of the University Judicial Board pool will be trained in the Rules of University Conduct and the precedents for adjudications and sanctions.

### **§441. Definitions**
